How to find us:

There are good rail links from both Leeds and Carlisle taking you right to the front door. By car we are just 15 minutes from junction 38 of the M6, follow the A685 (signposted Brough) for 9 miles.

The station access road being on your right immediately after passing under the railway bridge. If coming from the East, take the A66 at Scotch Corner, then at Brough the A685 to Kirkby Stephen. Pass through the town and the station is just over a mile further on, up the hill on your left. Please don't get confused with Kirkby Stephen East station, (Stainmore Railway a heritage site), at the bottom of the hill!
